

# 407 East Environmental Assessment (EA) Study

## Invitation for Participants Community Advisory Group (CAG) & Public Involvement

The Ontario Ministry of Transportation (MTO) has commenced an Environmental Assessment (EA) Study to determine transportation requirements in the Region of Durham. Information regarding the study is available on the project website: [www.407eastea.com](http://www.407eastea.com).

Public involvement is essential to the success of the study. In addition to several planned Public Information Centres (PICs), the project team may undertake a number of other public involvement activities including, but not limited to:

- Re-constitution of the Community Advisory Group (CAG) previously established to provide input to the project team;
- Holding workshops and focus groups on a variety of project-related topics;
- Meeting with neighbourhood groups and other stakeholder organizations.

If you are interested in participating in any of the above activities, or would like to be added to the mailing list, please contact us through the website or by writing to Mr. Doug Allingham at the address provided below. We will keep your information on file and notify you at the appropriate stage of the study. If you are interested in participating on the CAG, please submit a resume and indicate your area of interest and expertise. **Submissions will be accepted until Friday, September 9, 2005.** Selection will be based on establishing the best possible representation of all viewpoints.

If you have any questions regarding the overall study, please contact either:

**Mr. Doug Allingham, P.Eng.**
